A permanent right of way and easement, containing 0.62 acres, as described as "Area of Permanent Right of Way" in Exhibit A attached hereto, for the purpose of constructing, operating, maintaining, altering, repairing, changing the size of, replacing and removing a pipeline and all related equipment and appurtenances thereto (including but not limited to meters, fittings, tie-overs, valves, cathodic protection equipment and launchers and receivers) for the transportation of natural gas, or its
